I Live and breathe set design and bring design concepts to production.
I am excited to grow as a designer each time when I collaborate and work with talented people. I am an easy collaborator and a creative innovator.

[1986-1988]

Chapman University, City of Orange, CA
B.A. - Fine Art

Studied various art materials from traditional 2D art to 3D sculptures using ceramics, marble and concrete.

[1989-1992]

Art Center College of Design, Pasadena, CA
B.S. - Industrial Design

Studied architecture, interior design and furniture design to focus on the total spatial experience.

[1996-Present]
